

Grief Support Groups 2025 Bereavement Offerings

Suncoast Hospice of Hillsborough invites you to participate in one of our grief support groups. These groups are designed to provide support after the loss of someone important. Grieving is a uniquely personal experience and many people find comfort, hope and strength by coming together with others to remember loved ones. Our groups are open to those who lost someone under the care of Suncoast Hospice of Hillsborough and anyone in our community who has experienced a loss. Groups are generally six weeks long and are facilitated by trained and experienced counselors. There is no cost for these groups.

Groups are held at Empath Health Brandon offices at 422 S. Kings Ave.
